## 7 Re-Definition of Beauty

Written By: Grace Utting

### Verse 1:

Looking in the mirror,  
I don't like what I see.  
Magazines and media,  
they all surround me.

They tell me I'm not beautiful,  
I don't meet their definition of beauty.

### Pre-Chorus 1:

But I just can't believe their lies,  
It just don't sit right.  
Something deep inside me says

### Chorus 1:

I am beautiful, I am loved.  
I'm beautiful I'm loved.

### Verse 2:

Looking in the mirror,  
do I like what I see.  
Not talking about the outside,  
But what's inside of me  
What's my personality like.

Do I meet the definition of true  
beauty?

### Pre-Chorus 2:

So you can be beautiful,  
That's the way you've been made.  
Listen something deep inside you  
says..

### Chorus 2:

I am beautiful, I am loved.  
I am beautiful, I am loved.  
I am beautiful, I am loved.  
I am beautiful, and loved.

And there's nothing in this world  
that can take that, away from me.

### Verse 3:

Looking in the mirror,  
this is real what I see,  
Not some fake photoshopped reality.  
In the 18th century, a women with  
curves was the definition of beauty.

Written By: Grace Utting

**Verse 1:**  
Here I am sitting,  
looking out my window sill.  
The cold snow has fallen and  
it's melting away.  
Cos the sun has risen and it's  
chasing the gloom away.

**Chorus:**  
Spring time is coming.  
Spring time is coming.  
Spring time is coming.  
Spring time is coming.

**Chorus:**  
I can hear the birds,  
chirping happily away.  
There is new life all around  
The sun is shining  
ever so brightly.  
Spring time is here,  
spring time is here.  
Spring time is finally here.

If there's something we  
can learn from this.

to the hope. [Spoken] That.  
Your spring time will  
come around soon.
